As a subscriber I'd like to take advantage of the \$500 discount on an AURAS magazine critique. Please contact me with details.

### Thanks for subscribing to FPO Magazine!

You are one of the first to join our community, so congratulations! As an early subscriber, you are receiving almost 30% off the regular subscription price. In addition, you're eligible for a **\$500 discount on AURAS magazine critiques**. These comprehensive reviews of your magazine can benefit all aspects of your publication. The critiques are performed by senior designers at AURAS Design, and are customized to answer specific questions and address requested issues with your magazine. You can download a sample critique in the downloads section of [www.auras.com](http://www.auras.com).

We hope you take advantage of these special offers and ultimately find FPO Magazine a valuable resource for improving your publication. And if you have any questions or suggestions, I would love to hear from you at [editor@fpomagazine.com](mailto:editor@fpomagazine.com).

Thanks again!
